Haiden Surf is a cool, lifestyle brand for your favorite little surfer. These rad designs are made especially for baby and toddler boys who want to look cool on and off the beach. Mom designed and mom approved, their board shorts, rashgards, hats, slaps, undies and tees are as cute as can be without sacrificing style.

Haiden Surf's fun, fashionable and beachy cool surfer wear is getting attention from cool kids and parents all over the USA and even abroad. And, they are popular with the celebrity crowd as well. Little cutie, Mason Disick, son of Kourtney Kardashian, has been spotted rocking his Haiden Surf beachwear.
