Spotted on kids of celebs like Matthew McConaughey and [Kourtney Kardashian](http://shop.nordstrom.com/S/3308483), Haiden Surf boardies are the epitome of beachy cool. We're crazy about them not only because of their cool color combos, but because they offer SPF 50 standard UV protection. Matching [solid swim shirts](http://www.haidensurf.com/item_57/UV-Protective-SwimShirts-Short-Sleeved.htm) available too. Available in sizes 0-3M to 7.
